

BMW M235i Cup Car

This car is owned by Simon Green Motorsport's MPM Drive customer. The car is used for both corporate events and racing with Simon himself having used the car in 2021 in the CSCC Slick Series at their Brands Hatch GP race in August. On this occasion Simon finished 24th overall and 4th in class. The car is eligible to compete in several championships including the BMW Kumho Championship, Britcar Trophy and various CSCC classes. Car has previously competed in several 24hr races at Dubai and VLN at the Nürburgring.
